

# FAMILY FUN DAY

Application for Community Participation

RPAN's new pilot program to celebrate family!

## FAMILY FUN DAY COMMUNITY PARTICIPATION APPLICATION

Family Fun Day will celebrate the great contributions that families make to our lives, our communities and our territory. Supporting families to be strong, happy and healthy is essential to building a healthy NU. Family Day is a day to get together with all the people who, for each of us, make up our family.

FAMILY FUN DAY will be hosted territorial wide on Saturday February 24<sup>th</sup>, 2024. RPAN will provide micro grants of \$1000 to support your Family Fun Day event. All you have to do is host an activity for families to come together to get active, laugh and have FUN!

At the end of your celebration, you will be required to submit a small report and photo's of your Family Fun Day!

Remember...this is a pilot event! If enough communities and families participate, RPAN anticipates the program growing!

**Hamlet MUST be in good standing with RPAN...any Hamlets owing fees or other monies will not be considered for participation until paid in full.**
